Year 11 March Mock Examination Information

Monday 2nd March – Thursday 19th March 2020

This booklet has been written to help you. Please read it carefully and follow all of the instructions. If there is anything you don't understand, please ask your Form Tutor, Miss Bennett or Mrs Perkins.

Firstly, ensure you know when all of your exams are. Highlight the ones applicable to you on your timetable. PLEASE NOTE : This time the examinations are in **SUBJECTS** not in **OPTION BLOCKS**.

Examination Start Times

You should go straight to the morning exams for **8.30am**. You will be registered in the exam. Please ensure you arrive at school in plenty of time.

The afternoon exams will be at **1pm**. When the first bell goes at the end of lunch you should be at the examination hall.

Your exams will be in the Sportshall, Main Hall or occasionally for the smaller exams, the Dance and Drama studio. Please check the exam noticeboard (outside the refectory/main hall doors) to see where a particular exam is.

If you are required to sit in a particular seat, the seat numbers will be displayed on the exam noticeboard. You will have a row letter (A-P) followed by a seat number (1-10). Please make sure you know your seat number before arriving at the exam.

YOU MUST ENTER THE EXAM ROOM IN SILENCE AND REMAIN SILENT UNTIL YOU HAVE LEFT THE ROOM AFTER THE EXAM.

You should aim to leave all coats and bags somewhere safe (e.g. a locker, a friend's locker, staff base) if possible rather than bringing them to the exam room. Make sure you have everything with you that you need for the exam.

Equipment required

Compulsory items - Black pen, pencil and a ruler.

Suggested items – Rubber, spare pens.

If you are bringing your equipment in a pencil case it needs to be a clear one that you can see through.

For calculator exams you must ensure you bring a calculator with you – even if you have to go and borrow one from somewhere in school. Calculator lids/covers will need to be removed and the calculator memory must be cleared.

Mobile phones and/or other electronic devices **MUST NOT** be brought into the exam room. If you do forget to leave it in your bag and it is in your blazer pocket for example, you will be expected to declare it and hand it in to an invigilator for your own benefit. Wrist watches must be removed and on the desk in clear view of the invigilators. I-Watches are forbidden and should not be brought into the exam room.

Failure to follow the rules on mobiles and electronic devices will result in disqualification.

During The Exam

- Check you have the right paper (correct tier Higher/Foundation for tiered exams).
- Listen carefully to the instructions given by the invigilator.
- Fill in the front carefully and accurately when told to do so by the invigilator.
- Read the instructions carefully.
- If you have a question or a problem during the exam, please raise your hand and an invigilator will come to you.
- You must not write/doodle anything on your exam paper other than the work you want to be marked. This could be seen as malpractice.
- Only water in a clear plastic bottle is allowed. No food or sweets are allowed.

If you have any special arrangements, for example you are entitled to extra time or a laptop for your exams – please see Mrs Perkins for room numbers and further information.

Revision Guidance

You can find guidance on how to revise and example templates to use on our school website.

Draw up a revision timetable that suits you – and stick to it.

Remember shorter sessions are better than longer sessions for revision to stick.
Maximum 30 minutes at a time with breaks planned in your schedule.

See your subject teachers if there is any subject specific guidance you need.

Several curriculum + sessions offer a ‘drop in’ after school for support and additional help.

Good Luck
