Dear Parent/Carers,

As you will be aware, various changes to systems have taken place over recent months with a view to improving behaviour and ultimately student attainment in school. It is then crucial that we evaluate the impact any changes we have made by obtaining the views of students, parents/carers and our staff as part of this process.

During this week we will therefore be asking students to complete a short questionnaire during tutorial and enclosed with this letter a similar questionnaire for your attention.

Please can we ask that you spend a few minutes of your time responding to our questions, returning the questionnaire to us no later than Wednesday 7th November, 2018. We will then collate all responses and these will help us with our review of the recent changes and aid our planning for the future.

Your support and cooperation is very much appreciated.

Yours faithfully,

Mr M Hall
Head of School
